Stanstead College 1971-1972

This coming year, 1972-'73 we celebrate our
Centennial Year.
From "Stanstead Journal" 9th Dec. 1871.

STANSTEAD COLLEGE ORGANIZATION

The shareholders of the proposed Stanstead College are hereby invited and requested to assemble in the vestry of the Wesleyan Church on Tuesday the 19th instantly at two o'clock P.M. for the purpose of organizing the college company and electing its first board of trustees and other officers.

In the evening of the same day a Public Tea Meeting is to take place in the above church at 6 o'clock. Choice musical selections are promised by the choir and speeches in the interest of the college movement will be given by the Rev. Geo. Douglas L.L.D., of Montreal. The Rev. J. Elliott of Quebec and other gentleman.

Admission 40 cents, children 25 cents, U.S. Currency.

Cover design by Peter Boudreau
here seen receiving the Senior Art
Prize on June 3rd from Mr. Slack.

Left Gordon Dowd, Spectrum's
Advertising Rep and right, Pierre
Casgrain our Business Manager.

The Staff

Left to Right

D. Graham, J. McMullen, A. Huitson,
M. Graham, P. Boyd, S. Galambos, A. Philip, B. Denney, A. Lebel, P. Duncan.

D. Duncan, W. Brock, A. Eveleigh, I. Lennox,
P. Howard, W. Walker, R. Chen, D. Gomez.

(Off-camera D. Williams, R. Smith, R. Peirce)

Headmaster - Mr. N. T. Russell

Assistant Headmaster - Mr. K.H.B. Gallant

Where it's at individual globe work, Junior School.

Right: Mr. Irving Slack, Chairman of the Executive Committee and Mr. Tom Russell, January 1972.

From the Headmaster.....

I believe in controlled freedom. A contradiction in terms maybe, but a forgivable one.

I've heard it all so often

"More town leave, please"

"Why can't we have voluntary classes?"

"Can we wear casual dress?"

"Love!!" "I'm cool man!"

"But, I'm old enough to smoke!"

"The drinking age is 18, isn't it?"

"Who me, sir? not me sir!"

"I'm going to take a year off and find myself."

The peace sign still adorns our dining hall - a superficial symbol of the teenage trends of today, meaningless and hollow. Why can't we trust one another, I ask myself again and again. Why do THEY want to take and not give. Who are the ten per cent or the five per cent who destroy and disregard what we are trying to build.

What of the ninety per cent? Fortunately, I still have faith in you. I believe that you have appreciated the "freedoms" you have been given. I believe that you have appreciated being allowed to have your hair longer; your cycle on campus, to wear your favourite coloured pants and take a week-end leave once a month. This is controlled freedom.

Signs, symbols, expressions and trends come and go. Underneath there is people.

Think of your potential as a person. We'll often think of you.

Good luck!

The Senator C. B. Howard Football Trophy between Bishop's College School and Stanstead College
 Won by Stanstead - Captain, Mike Allard.
 The Stanstead Invitational Track and Field Trophy
 Won by Stanstead - Captain, Peter Newman.
 The Charles Conners Trophy - Midget Class High Aggregate in E. T. Track Meet.
 Won by Stanstead - Gary Garbarino
 The Jean Maysenhoelder Trophy - Juvenile Class High Aggregate and the Sherbrooke Athletic Commission Challenge Cup - Individual High Aggregate in the Juvenile Class in E. T. Track Meet.
 Won by Stanstead and James Little.
 Junior Cross-Country Ski Team Championship Gold Medal Winner - Won by Stanstead - Robert Campbell, Kim Eveleigh, David Kyte, Malcolm Sutton.

Derek Smith receiving the Governor General's Medal for best student in Grade XI from Mr. Slack. Mr. Russell and Mr. Gallant check on the next prize-winner.

D. Burdon - prize-winner in Biology.

The Bugbee Chronicle

This year saw the creation of a new landmark in juvenile journalism, the Bugbee Chronicle.

Credit for the idea must go to Mrs. Duncan, who also did all the typing. This project involved all the Junior School, but they were divided into three groups, dividing their time between Art and Manual Training - hence the three sets of newspaper staff, and three issues.

Generally the boys chose their own newspaper staff, though the key positions of Editor and Assistant Editor were selected by Mrs. Duncan and Mr. Walker.

The range of subjects included was wide, from jokes, cartoons interviews, to current school events, puzzles, wildlife, surveys and sports.

The boys' enthusiasm for the newspaper waxed and waned, but generally the results were pleasing, to both newspaper staff and readers. It is hoped that the Chronicle, now born, will survive to go from strength to strength.

COLBY HOUSE

This year brings to a close my three year tenure (sentence?) as Colby Housemaster. Upon reflection I can recall some of the various parts I have played or roles I have been called upon to perform.

These included being the honorary barber and banker, a temporary "old man" for 75 boys, a hotel room manager, inspector and censor, a one man arbitration board on occasions of mounting tension, a referee for fights, available at a moment's notice to single-handedly pass and support a war measures act, a judge, jury and supreme court for interpreting the Colby House Constitution, a connoisseur of fine music (after all, 75 record players or radios all playing different music at nearly full volume), an unsuccessful detective, an emergency medic, a provisional psychiatrist, a sometime night watchman and last but by no means least, the object of insults ad infinitum. I suppose there are others, but outside of this, housemastering really is only a normal job. However, now I am the wiser for it, but also much, much, much older!

This year, in reality, the house has functioned the best of my three years mainly due to the outstanding efforts of my prefects (National Guard) headed by Mike Allard and the aging but ever faithful Masters-On-Duty. To them a great deal of thanks, sincerely.

I am not disappointed I have had this experience as Mrs. Denney and I have enjoyed our association with many of the boys. I wish my successor, Mr. Peter Ashworth, all the best.

BUGBEE HOUSE

After four years of survival training and guerilla warfare in Bugbee, I should be used to writing a brief summary of the year past. Such, unfortunately, is not the case as each year is so different there is little common ground from one year to the next. With two exceptions, all the boys in Bugbee this past year were junior school boys. In other words, they were young, noisy and suffered from a severe allergy to academic work, overcome on occasion by massive doses of a bitter medicine called "supervised study". The medicine did not cure the disease but merely held in check. Fortunately, the disease was not universal nor terminal and a few hardy souls seemed to show few effects and made very creditable marks during the year.

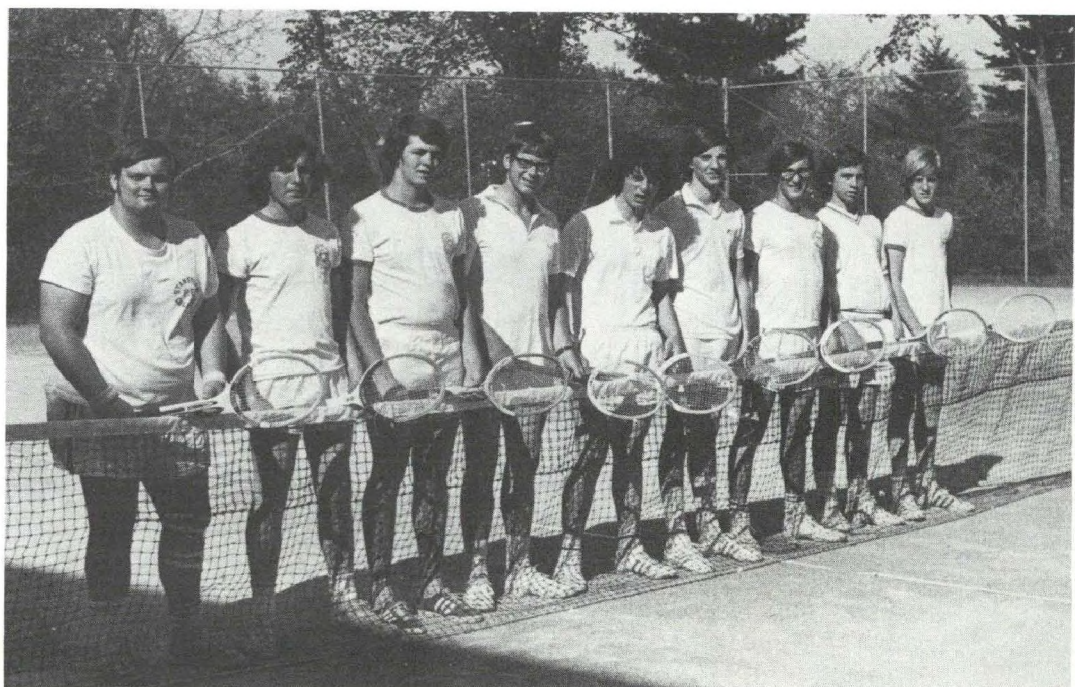

My apologies have already been made to the boys for the decrease of attention I have given the house since February, because at that time I also became assistant headmaster and have had to divide my time accordingly. Much to their credit, the boys behaved very well during the latter half of the year: a good sign of increased maturity.

Comparisons are always questionable and generally to be avoided. This year I'm going to break a rule. Judged on the Bugbee "lost temper" scale, the year past has been the calmest and in many ways the most pleasant of the last four. Perhaps most of the credit belongs to the new sound-resistant housemaster's residence.

A TRIBUTE TO DAVIS HOUSE

Bless this house O Lord we pray
 Keep it clean by night and day
 Bless the doors so firm and stout
 Keeping dogs and Bugbee out
 Bless the smoker down the stair
 With fumes ascending like a prayer
 Bless the windows shining bright
 Letting out their eerie light
 Bless the prefects down below
 Whilst they watch the late-late show
 Bless the walls, the ladies too
 Though some are red and some are blue
 Bless the students here within
 Keep them pure and free from sin

Bless us all that we may be
 Fit O School to dwell in thee

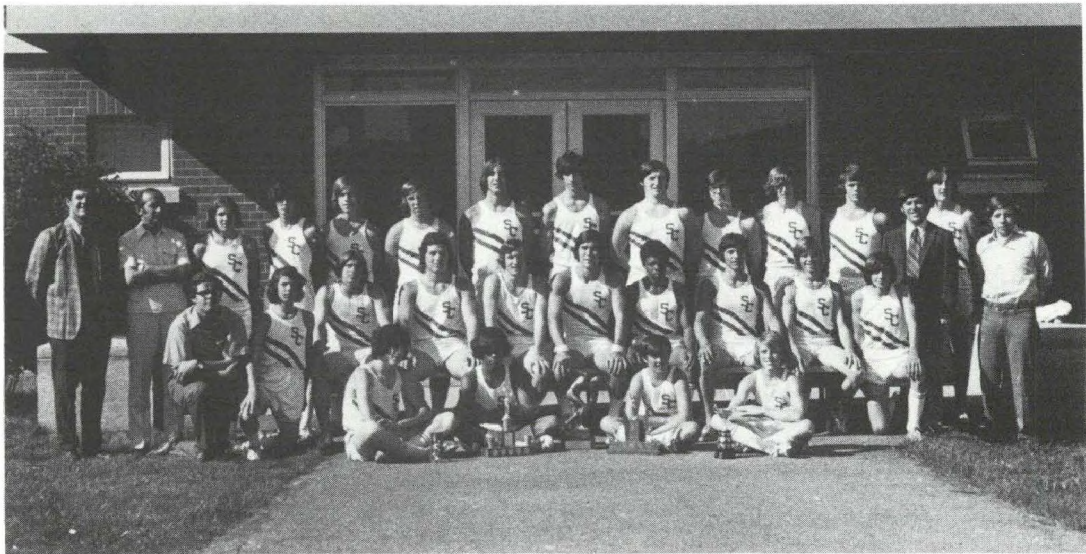

GOOD LUCK TO ALL

Fencing

Fencing this year has a distinctly oriental flavour with a soupçon of the British monarchy. Call out the name of a King of England and at least one fencer, with a surname of Pei, Au Yeung, Cheng, will remove his mask to reveal the features of a Hong Kong Chinese student.

Charles Pei has the dubious honour of being the only person who can ring the school fire-alarm with the point of a foil during practice - an apparently impossible feat!

Competition this year has been sparse, but, on the whole, the club has been successful.

"The Lonely People".

YOUNG THESPIANS AT STANSTEAD

Marking the close of the first term the familiar Dicken's Christmas Carol came very much alive for a capacity audience in Centenary Church. It was a memorable presentation of a timely theme drawing many appreciative comments from parents and friends of Stanstead. The tableaux scenes were imaginatively staged and the cast, from Scrooge to Tiny Tim, enacted very convincing roles for a student production.

A grade XII N.A.L. class project, "The Lonely People", created and directed by Stephen Bird, gained very favourable comments both for its originality and acting ability of its cast from the adjudicator when it was presented as the College's contribution to the Annual High School Drama Festival in the Centennial Theatre at Bishop's University. Although the play tended to be somewhat didactic as Professor David noted in his comments, "I liked it," he said, and highly complimented the members of the cast on their very fine performance and relationship to the audience. Our congratulations to Steve for his fine effort.

Two one act plays prepared and presented for Family Day lent an air of enjoyment and relaxation to that occasion. The final scene of "The Monkey's Paw" was a dramatic moment in which both the acting and light effects were most successful in creating the climatic suspense of this well known thriller. It also seemed obvious that those who took part in the prize-winning comedy, "Caviar for the General", thoroughly enjoyed the experience, especially the inebriated General Protopopov and those who came to mourn at his wake.

It is extremely difficult to single out any particular student actors as outstanding in performance when all who took part in the dramatic productions this year did so well. Nor can the unsung heroes of the stage crews, costume and stage designers, lighting, etc. be forgotten for their tireless efforts. However, it does seem that at least three actors should be especially congratulated for very fine presentations - Steve Bird for his role as Scrooge in "The Christmas Carol", Bob Blackwood for his role as Father MacKenzie in "The Lonely People" and Mike Allard for his roles as Mr. Rigby in the "Lonely People" and General Protopopov in "Caviar for the General".

Bruce Hodge, in costume, opens the dance in Lebaron Hall.

The Carnival

by Gavin Blunt

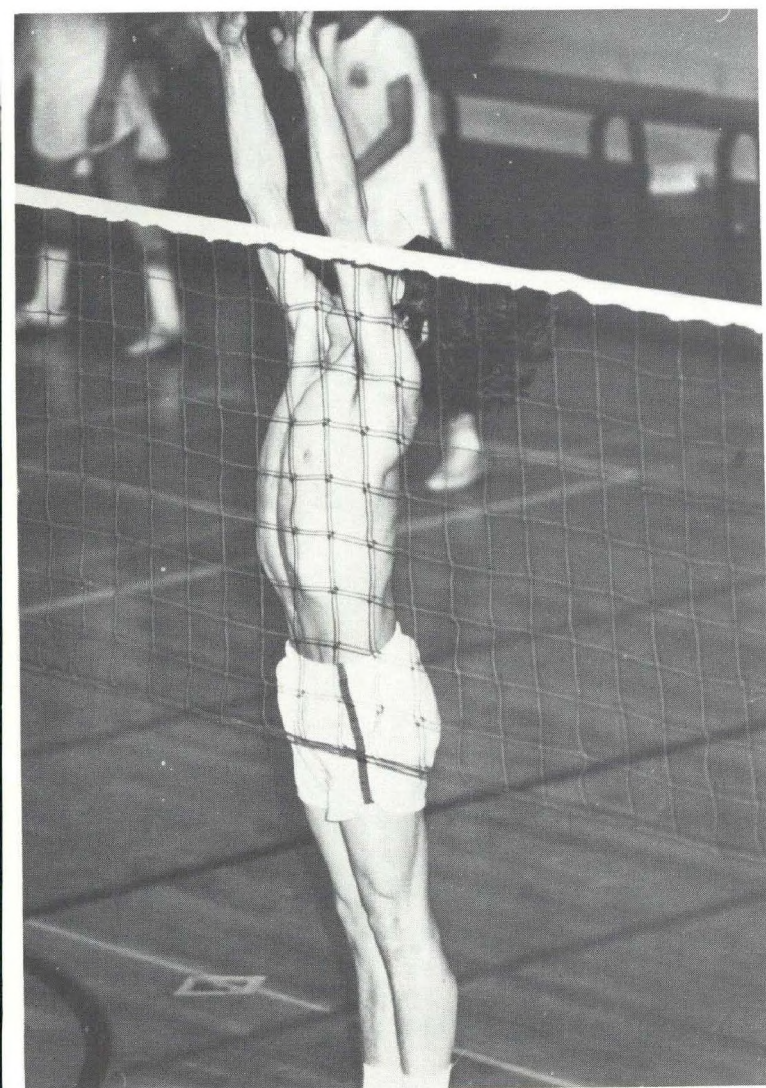

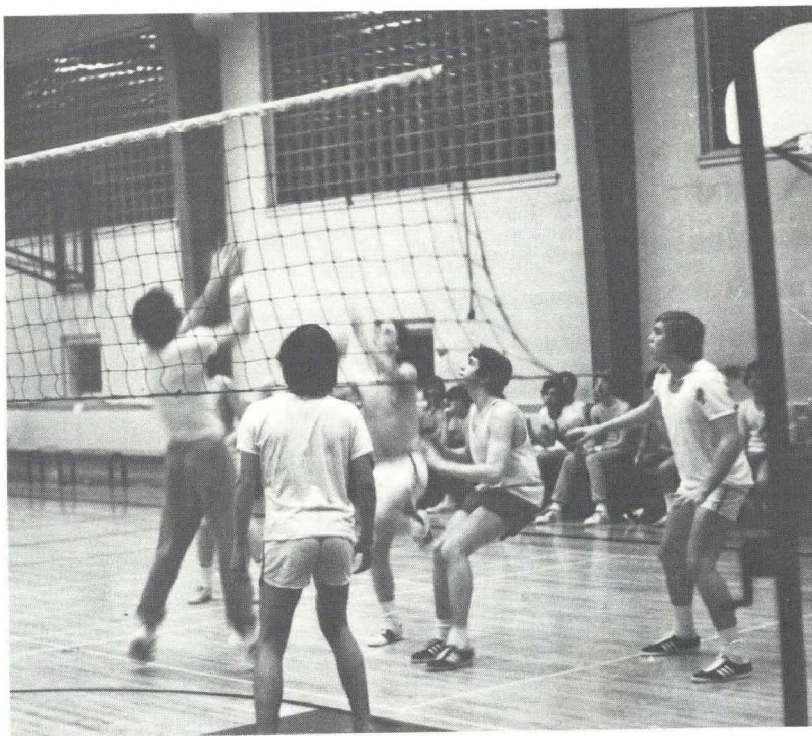

This year the carnival was five days long instead of two days. During the week the houses had play-offs and the tension started to build. On Friday night the broomball teams had it out on the arena ice and at ten o'clock Saturday morning the events started.

The Stanstead Radio Station was on the air broadcasting the events and at 11 o'clock the girls arrived from King's Hall and St. Helens. Boys made new friends or met old acquaintances again. At 12 o'clock we had Clara's Hot Dog Lunches and during the afternoon things got busy with events. At four o'clock in Pierce Hall the Stanstead Show got underway with a Bank Robbery and the staff skit, which was the highlight of the show, followed by the dating game with a girl from St. Helens and David Snook, Peter Roman and Michael Geoffroy. The show ended with the skit for the Carnival Queen and then everybody went to get changed for supper at six and the dance.

The band "Sad Birds" started to play and as the evening drew on the Carnival Queen was crowned, the M-f-a family came to show their appreciation and John Saputo got to kiss the Queen. Finally the evening came to an end and, under the supervision of Mr. Williams, the girls boarded the buses with goodbyes until next time.

A special thanks should go to the decorating committee and the light crew and also to the man with the fog machine.

Carnival week started early with volleyball run-offs

Alpine Ski Team

The Ski Team had quite a busy season this year. As members of the Eastern Townships Ski Zone the team participated in races at various ski centres almost every Sunday throughout the winter term. Training sessions were held at Owl's Head on Saturday afternoons under the supervision of Mr. Bob Richardson and informal sessions were held each Wednesday at Mt. Orford. Unfortunately skiing conditions were, for the most part, quite poor throughout this period - ranging from Spring slush in January to bitterly cold in March. And it seemed that before every snowfall there was either a thaw, or rain, or both so that racing on ice became almost a way of life for the team. However the enthusiastic spirit of the team accepted the racing conditions in the same manner as they did the driving conditions in the Mini-bus. One team member gave up part of his mid-term break to enter a zone race at Mont Elan at East Angus.

Probably the highlight of the racing season was the annual three day inter-school meet at Owl's Head on the last weekend in February. Although the team placed last in the team standings individual results were quite good. Andre Moisan and Ross Clark placed first and second respectively in the Junior Giant Slalom and then reversed positions for the Slalom. Andre Moisan also placed first in the cross-country race held on the Sunday.

For the seniors, Graeme Kilgour, the captain, took first place in the Slalom and was runner-up for the Price Memorial Trophy awarded for the highest individual aggregate in the Senior Division.

On the following weekend the Eastern Townships Zone Championships races were held at Mt. Echo with the downhill on Friday and Slalom on Saturday.

Our special thanks to Mr. Smith for his work with the team.

P. Lewis, K. Eveleigh, N. Cuke, D. Taylor, D. Huitson, S. Maclean

Senior Cross-Country

CROSS-COUNTRY REPORT

This year we once again had a cross-country ski-team. However due to the lack of snow we did not start training until late in the season. After about two weeks on skis we attacked our first and only race of the season against B.C.S.. We lost the race but Andre Moisan did manage to come in first.

On Feb. 26th-27th Mr. Eveleigh, Mr. Duncan and nine students embarked on the marathon Ski Tour. This is a challenge to anyone on skis. We were out of shape but not lacking in confidence. After a few minor accidents and sickness we managed to bring home six of the eighteen Governor-General's gold medals for 50 miles covered and two silvers for covering 40 miles.

FRONT ROW: B. Blackwood, J. Etcheverry, S. Etcheverry, Captain; P. Roman, D. Salman.

Varsity Basketball

Doug McDade

The varsity B-Ball team had another successful season. We came out on the winning end of a 9 - 6 record. We lost a few good players last season but this year's crop of new candidates turned out quite good. Among them was second highest scorer Chris Leigh-Smith with 164 points. But, of course, as most suspected, Steve Etcheverry came back and had another strong season scoring 260 points.

As usual, the competition was tough. The Galt managed after many years of trying to beat us in one of our five matches. Of course Massey-Vanier, upset after becoming League Champions of Quebec last season and losing to Stanstead, came back at us this year and managed to beat us twice. Although one game was a cliff-hanger as it went into three overtime periods.

All in all it was a fun season and we would like to thank Mr. Denney and wish him the best of luck in '72-'73.

BACK ROW: Mr. Philip, Coach; M. Gomez, R. Rich, B. McCarthy, R. Foss, A. Sonac.
 FRONT ROW: M. Graham, H. Knobovitch, D. Lamonte, M. Etcheverry, G. Ching, J. Newman, Manager.

J.V. Basketball

Donovan Lamonte

During our first four games the team showed its full potential. Our first game of the season against Alexander Galt, they threw a full court press against us. With good coaching assistance we were able to break the press and come out on top. We went on to beat Richmond, then back home for Seminaire. They came out strong and after a well fought game we squeaked through a win in overtime. After the Christmas break we faced an experienced L.C.C. team. They were tough and we lost our first game. We came back to beat Richmond and Sacred Heart. Later we faced Alexander Galt again and lost in overtime.

The team stormed back to beat Seminaire 50-44, our highest game total of the season, then we dropped another to L.C.C. With bad luck and bad weather we had three games in a row cancelled. We took our discouragement out on St. Georges, trouncing them 48-27 bringing the season to an end. We would like to thank our coach Mr. Philip and manager Jock Newman for efforts in keeping the team going strong.

Bantam Hockey

This season the bantam hockey team wasn't as successful as in previous years due to lack of experience and size. Towards the end of the season we started to prove that we were worthy of being called hockey players by tying one and winning two of the last three games. Our wins were against St. George's and Beebe. Our team would like to thank Mr. Gallant for the help he gave us through the year.

J.V. Hockey

Over the past four years J. V. hockey playing has improved tremendously - thanks to better facilities, Mr. Philip's management and this year thanks to captain Jamie Deacon and Assistant Captains Don Anderson and Mike Layton. Many thanks to every member of the J. V. team for making this season, not the most successful, but the most enjoyable one for me.

Coach - A. Lebel.

Junior "S" for all round excellence

J. Deacon, D. Anderson, R. Hale, R. Cahoon, D. Johnson, M. Layton.

A poor performance in our opening game spurred us on to harder work resulting in three successive victories. A second loss to Galt and four more victories brought us up to perhaps our toughest games, a two game weekend against Northwood. The first of the two was close, tied going into the third period, at which time they scored quick goals to win it. The next day, however, our spirited J. V.'s played their best game of the season beating them 2-0. We finished our season with a tie, a tight game against the town and an easy final win.

Senior Hockey

Ted Moysey

This year varsity hockey team came out on the winning end with a final record of ten wins, eight losses and three ties. It got off to a slow start due to the illness of a couple of players but by the time Christmas rolled around we were in full swing. Thanks to this strong period we had great success in the Bishop's University Christmas Tournament and won the honours in the Consolation Section.

We faced a couple of tough teams such as L.C.C. and Northwood. We tied L.C.C. having at one point a 4-0 lead. Against Northwood we played two games winning the first 3-2 in one of the year's best performances. Other top games came against A.G.R.H.S., a 3-2 win and against B.C. where we defeated them 5-3 with a strong third period. The teams best offensive effort came against Ashbury College as we burned them 8-2. Due to a snow storm in Montreal the team did not return from Saturday's game until Monday !

We extend our appreciation to Mr. Boyd for his fine coaching and to the managers Peter Boynton and Richard Purvis who were always ready to do the jobs that had to be done.

Shooting Club

Greg Kift
Ricky Robinson

Mr. Howard
Mark Lerner

Donald Bliss
Jim Angell

The club started the year with five brand new rifles to replace the army rifles withdrawn when the cadets were disbanded. The boys shoot in the C. I. L. sponsored shooting programme and consists of shooting a series of targets to qualify for the awards at different score standards (eg bronze medal 5 targets over 80). All the boys in the club have qualified for bronze medal, over half for the silver and several have qualified for the gold medal (ten targets over 98).

The select few are now trying the next stage which is a contest for firing in the sitting, kneeling and standing positions. It is encouraging to see that one of our gold medallists is a grade 8 boy in Bugbee House.

by Paul Deutschman

VISITORS FROM QUEEN'S UNIVERSITY

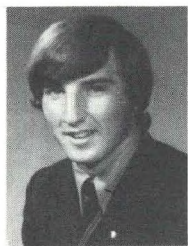

Chancellor Stirling and Principal Dr. Deutsch

Stanstead College was particularly fortunate on the weekend of February 25th when two very distinguished gentlemen accepted our invitation to visit us. Chancellor Stirling and Dr. Deutsch from Queen's University stayed with us for the weekend, getting together with the students on several occasions. Chancellor Stirling has travelled to many corners of the world and was capable of striking up an interesting conversation with the least talkative student whether about education, travelling or music.

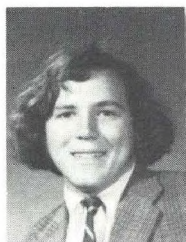

Dr. Deutsch was also a very remarkable man. Born and raised in Saskatchewan he gave many ideas to boys who were not too sure of their future plans. The two men with their wives also enjoyed a sleigh ride and we are sure they enjoyed their weekend in the Eastern Townships.

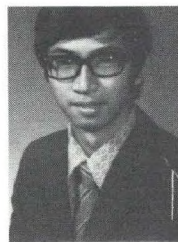

Another weekend guest was Dr. Kinnear and his family. Dr. Kinnear, doctor of the Montreal Canadiens, spoke on a career in medicine.

J.V. Soccer

Mark Lerner

The team had its best season in recent years losing only 2 out of 11 matches played. The season started off with a bang with two big wins over Selwyn House, Montreal and B. C. S.

Early in the season our Assistant Captain Russell Beauregard, fell ill and was unable to play for the rest of the season. This was a considerable loss as Russell had already scored 8 goals, but our team kept up its spirit and went on to play some determined soccer.

I beleive the most outstanding moment was in our second game against St. Georges when, after controlling most of the game we suddenly found ourselves 2-1 down with a minute to go. We tied the game just in time and went on to win in the agreed overtime period 3-2 with an excellent individual scoring effort by Guy Casgrain.

Many thanks to the team who made the season so enjoyable and to Doug McDade, our manager, who gave us excellent (?) encouragement from sidelines.

On behalf of the team I would like to thank Mr. Walker who coached us to success.

Junior Soccer

Robert Campbell

This year Junior Soccer was a great success thanks to the coaching of Mr. Chen. This year we played ten games in all, lost two, tied one and won seven. There were ten goals scored against us and fourteen goals were scored by us. We had a very strong offence which was called the International Line because there was one Chilean, one American, one from Hong Kong and two Canadians. Two of these boys were high scorers. Marcello Gomez had ten goals, Steven Philip had nine and Samson Wong had three. We also had a strong defence.

At the start of the season we had a strong spirit and beat Bishop's 1-6 in our first game. We soon found that life was not always so easy and in our next game we lost to Mont Ste. Anne 2-0. But we came back strong in our next five games.

The day of our mid-term was the day that we probably had the most spectators watching us play in the pouring rain - though we came out on top 3-1. Our largest victory came in our second to last game of the season when in an unplanned and last minute schedule switch we played St. Georges and won 7-2. Our last game of the year was against Richmond Regional on their home ground and it turned out to be one of the hardest fought games of the year. Neither team managed to put the ball in the net until the last eight minutes when we shot in three fast goals to win 3-0 and finish the season with a shut-out.

There are hopes next year of having a Junior A and B team which would enable boys to work themselves up from the B team to the A team.

Once again thanks to Mr. Chen and Mr. Gomez for coaching the team.

Varsity Soccer

Greg Brown

The Varsity Soccer season was a great success. The team was high spirited and games played at home and away were thoroughly enjoyed by all.

We had a team of "international" players. The forward line was made up of players from a variety of countries - Hong Kong, England, Jamaica and, of course, Canada.

Some of our games were close in scoring; it was the spirit of the team...bolstered up by the coach's ready wit...that brought us through the season with only one loss.

Top in the goal scoring honours were Pierre Casgrain, George Ching and Greg Brown. But, it must be remembered that our solid defence and agile goalkeeper kept the others from scoring.

We would like to thank our trainer and coach - Mr. Russell, for his time, effort and shared experience of the game, which gave us the "lift" we needed. Also our thanks to Kevin our most loyal fan and mascot.

Well done football (sorry...Soccer) players.

Greg Brown and Don Anderson take in John Saputo's header.

 KNEELING: K. Coutts.

J.V. Football

Michel Giroux

Junior Varsity football had a good and long season this year. Eight games were played (compared to five last year) with only three losses.

The team had a slow start, losing as usual (fourth year in a row) to Selwyn House seniors, 20-0 in our first game. Next came Massey Vanier. We had trained hard during the week and were ready for them. They were big but inexperienced and we came out with a 21-0 victory. Alexander Galt Regional High School was next on our schedule; they were good and we suffered our second loss 12-7. After mid-term break we only had two days to get ready for Selwyn House, in Montreal this time. We played a tough and good game and beat them 14-13. A week later came St. Pat's from Quebec City. They tried hard but we still beat them 38-0. Galt was our next opponent and we were looking forward to beating them this time. It was an exciting game which we won 6-0. Massey Vanier came down again on November 4th and though they did their best the little red came out with a 7-6 victory. There isn't much to say about our last game. On a mild, sunny Fall November day we lost to Quebec High School Seniors 55-0.

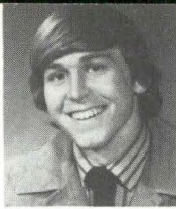

Although a few players here and there were injured and others kept the bench warm, the morale of the team was excellent. Everybody, rain or shine, worked really hard and many should be fine Varsity material for next year. Ten boys earned a Junior "S": Burgess, Cowan, Etcheverry, Layton, Grant, Pearson, Beverley, Rich and Murray.

The team thanks Mr. Brock and Mr. Colehower for the time they spent and the efforts they made in coaching us. We really appreciated it.

RECORD Stanstead vs	Selwyn House	0-20
	Massey Vanier	21- 0
	Alex. Galt	7-12
	Selwyn House	14-13
	St. Pats	38- 0
	Alex. Galt	6- 0
	Massey Vanier	7- 6
	Quebec High	55- 0

Varsity Football

Mike Allard

"Itinerary for Saturday, Breakfast at 8:30 a.m., Lunch at 2 p.m. on the field."

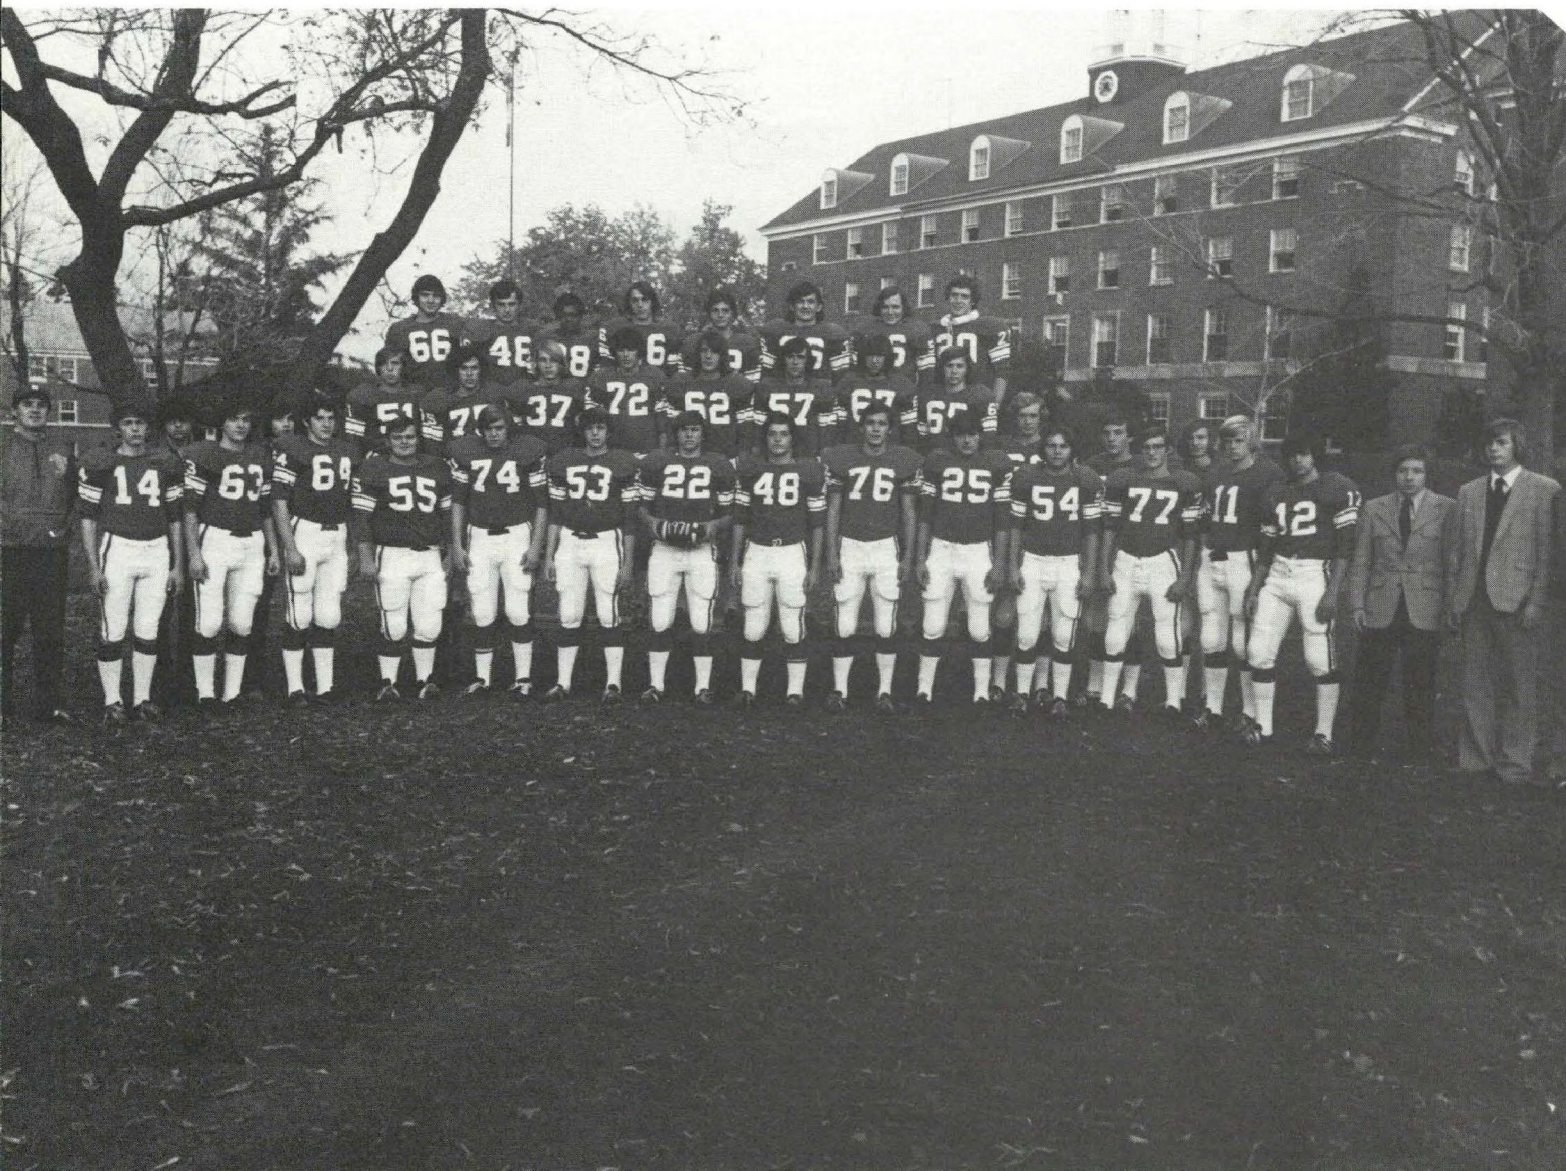

Funny? maybe, but for the Stanstead Spartans and their 1971 Football season, working hard and winning games on Saturdays became a ritual. Five days each week, from Sept. 11th to Nov. 9th, thirty-four dedicated football players put together an undefeated season of seven wins, no losses.

Defeating the old boys in the season opener was only the beginning. Next in line came Ashbury College from Ottawa. With sixty minutes of hard-hitting football, Ashbury bowed gracefully to a defeat of 42-0, as the Red Machine prepared for their test against B.C.S. the following week. Not much can be said of the first of two clashes between Stanstead and B.C.S. this year, it was simply a win, Stanstead 33, B.C.S. 9. With the keenness of A.G.R.H.S. next to contend with, the Spartans were looking for their fourth consecutive win of the season. A.G.R.H.S. showed strong competition on that sunny Saturday at B.C.S. However, when the final whistle blew, Stanstead came out on top 22-7. The Senator Howard Trophy stayed at Stanstead for its seventh consecutive year as the team

BACK ROW: E. Moysey, G. Cameron, D. Lamonte, J. Scrim, G. Garbarino, D. Salman, J. Angell, G. Dowd.

CENTRE ROW: B. Hodge, M. Durnaceau, P. Roman, C. Leigh-Smith, D. Scott, G. Wing, K. Eveleigh, R. Blackwood.

Simpson, M. Solomon, D. Snook, J. Stronach, R. Foss, H. Lange, D. Wilson, S. Kohns; P. Wynne, R. Barry, Managers; Mr. Denney, Assistant Coach.

defeated the purple of B. C. S. 52-2, winning the two game total point series 85-11. With the following week came the return match with A. G. R. H. S. A strong heads up game by Stanstead continued to prove it was No. 1, defeating their opponent 40-12.

With one week left and a seven game no loss season at stake, the squad prepared for what was to be "the tilt of the season" against Lakefield School from Peterborough. Lakefield had a strong group of ball players yet Stanstead with her endless spirit and pride, pulled it all together to defeat Lakefield 42-12.

To Mr. Philip and Mr. Denney thank you for your expert coaching, for what good is a team without coaching they respect and admire. Good Luck.

Mr. Al Phaneuf of Montreal's Alouettes, speaks to the November Athletic Assembly in Pierce Hall.

Varsity Football -the Big Red Machine - in action

S. Bird, S. Burchill, J. Little, T. Wallace, D. Huitson, F. Horler, S. Maclean, M. Phaneuf, F. Hibblen, Mr. Boyd, Coach.

Cross-Country

David Huitson

This season the cross-country team didn't have a particularly successful record but it was an interesting one. Only two members of last year's team returned and it was hard to find enough runners to make a team.

The racing team consisted of six runners, David Huitson, Jim Little, Fred Horler, Michael Phaneuf, Scott Maclean and the captain Steve Bird who later retired. Other recreational runners were Frank Hibblen, Tom Wallace, and Steve Burchill.

The team competed in 11 meets; three at home and eight away. We tied our last meet and lost many of the others by small margins. We competed against North Country, Lake Region, Alexander Galt, B.C.S. and Lindsey Place.

The top runners this year, David Huitson, Jim Little and Fred Horler were invited to the Quebec Championships at Shawinigan and the Eastern Canadian Championship at Hudson. Jim Little and David Huitson ran in the men's juvenile class while Fred Horler ran in the midget class. The competition was very good and it was a worthwhile experience.

Many thanks to our coach Mr. Boyd for the time and effort he gave to help us all.

Jim Little leads the pack against Alexander Galt at a home meet.

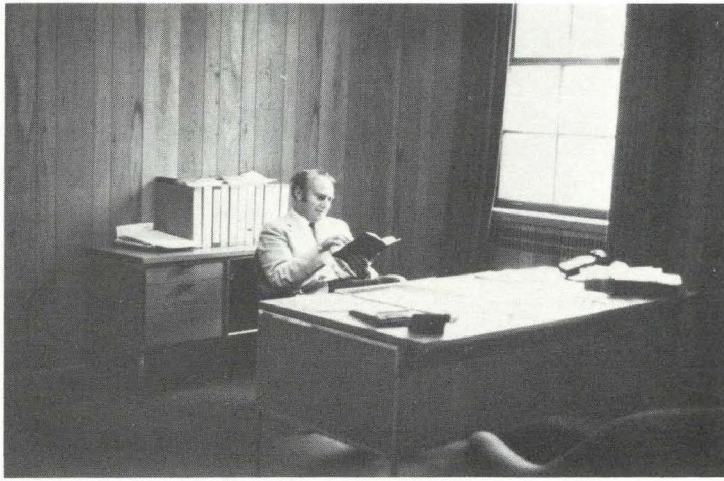

Photo: M. Solomo

Photo: M. Solomon

Mr. Lester from his open office door - an everyday scene. Sept. '71.

Mr. Raymond Lester with Mrs. Janet Vermandel, authoress. Taken in Reception Room, Lebaron Hall, Oct. 31st, 1971, when Mrs. Vermandel was visiting the school as part of Mr. Lester's "Create our own Sun" programme.

RAYMOND LESTER

Headmaster of Stanstead College
1966-1971

Died November 9th, 1971 in an automobile accident on the E.T. Autoroute near Granby returning to Stanstead from Montreal.

On November 9, 1971, Mr. Raymond Lester died. Mr. Lester was the best headmaster the school ever had. Not many people knew how much they cared for him, but when he died people knew what kind of man he really was. They had a hard time believing it and realized the loss the school suffered.

When I first found out, I didn't believe it, because it was so unreal. I kept looking up at head table, while it was still there, thinking he would stand up and say grace.

As everyone says, he devoted his life to Stanstead College. His funeral was held on the Saturday following his death. It was a beautiful funeral and the church was packed tight.

The school found it hard to get back to normal but it is getting there now, although there is still a big gap.

Kenan Salman
Nov. '71
(from the Bugbee Chronicle)

...The Prefects

Steve Woods

For the first few weeks of this year things were run by eight acting prefects who were being carefully considered for the various permanent prefect positions. When Mr. Lester made the first appointments at the beginning of October the school found itself, unlike previous years, with a good combination of athletic and non-athletic type prefects. Six school and six associate prefects were made initially. School prefects are responsible for the whole school whereas A.P.s and probationary prefects look after the Houses.

This year's Head Boy was a surprised Steve Bird with Assistant Head Boy, Doug Burdon. Head of Davis was Paul Deutschmann and of Colby, Mike Allard.

The prefects lost a good friend and guide with the death of Mr. Lester who had appointed them so recently.

As in the past the prefects had responsibilities involving the co-operation of the student body and as usual made some enemies though on the whole prefect-student relations were smooth. They also got some privileges. They had the use of the Prefects' Room with TV, couches and refrigerator - not to mention the donated toaster. They could also sleep - in on Sunday mornings, if not on duty, and order-out on Friday nights - a privilege which sometimes got stretched over the week.

FREE TIME

Gavin Blunt

Here at Stanstead we have what is called free time. During this time people who have their smoking privs (and can bum butts) go to the smoker either outside or to the basement of Davis House where the Smoker took over the old Cadet Stores.

The Rec Hall is also used a great deal during free time with the boob tube and the tuck shop as main attractions.

The coffee shop in the basement of Davis is new this year and is used by the smokers as a place to pick up a late, after-study snack.

When the first snow came the ski bums were out on infirmery hill testing out their equipment for the coming season.

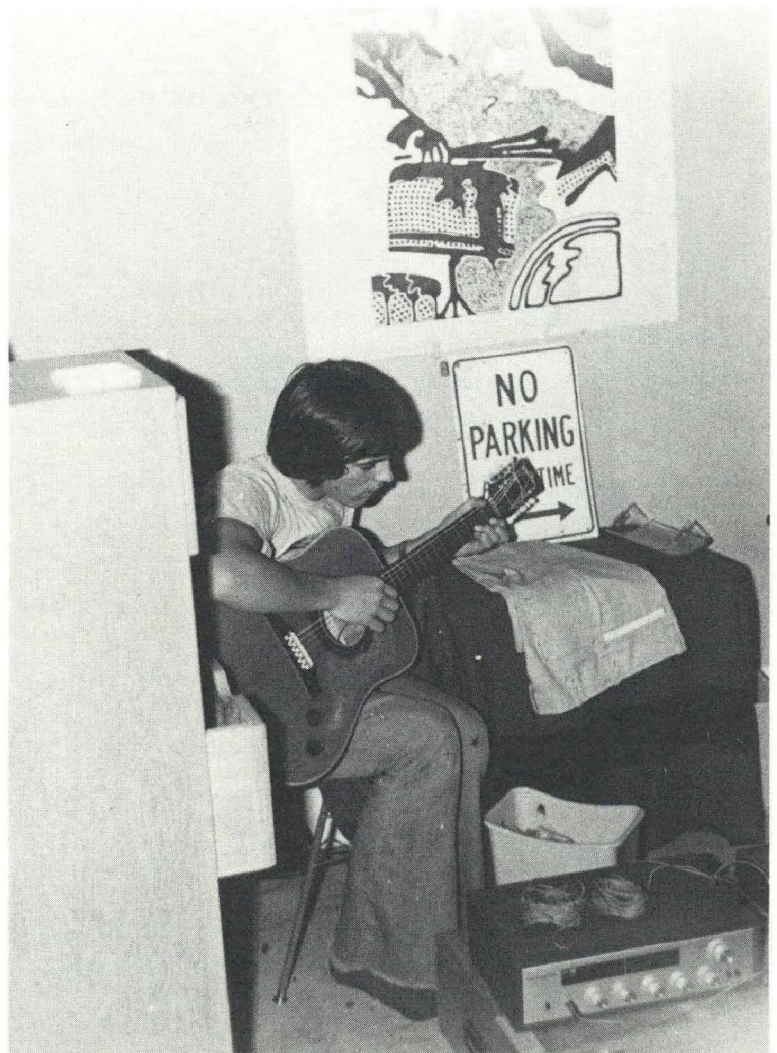

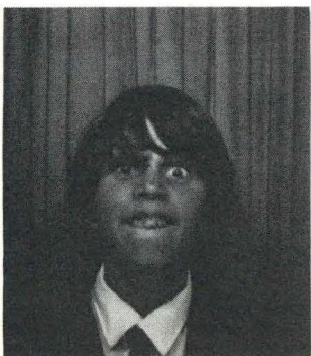

The off-campus people have a different routine for free time, listening to music or rapping on the phone or just plain sitting around.

This year we also got a third off-campus house... Hackett House joined McGilton and Gordon House as student residences. Hackett House is a non-teacher house with Head Boy, Steve Bird and Assistant Head Boy, Doug Burdon in charge.

In 1966 five students arrived for Grade Seven and are still with us - now at College level. John Scrim, Tom Wallace, Tom Karsay, David Huitson were interviewed by the fifth member of this veteran student group, John den Hartog, on some of the changes which have taken place over their years here.

STABILITY IS TO COPE WITH

Change

Q. When did students get town leave when you came?

Huitson: We were only allowed to go downtown on Wednesday afternoon and Saturday morning and evening - in school dress.

Q. What were cadets like?

Wallace: They were held every Saturday morning at 9 a.m., instructors coming from a nearby town and in those days it was very rough. My first year the cadet stores were in what is now the Rec. Hall.

Q. What were teacher-student relations like?

Huitson: Although there were fewer students in the school then the teacher-student relationship was not as good as it is at present. Now the students feel more at ease with the staff.

Q. Did religion play a great part in school life?

Scrim: Yes, it did. We had chapel every morning in which we had to take part. The chaplain would give us parts to read in Pierce Hall and every Sunday we had to go to church, it was a definite commitment.

Q. Has laboratory equipment changed much?

Karsay: We now have a biology lab which we did not have when I came. Thousands of dollars have been spent on better equipment for the Physics, Chemistry and French Language Labs. It is all quite modern now.

Q. What was Bugbee House like five years ago?

Wallace: In the bedrooms we were only allowed to keep our jackets and pants on a shared rack. The rest of our clothes were kept in a separate room in little boxes where we had to change and dress. No food was allowed in the bedrooms themselves. In 1966 we had four to a room and the following year we had SIX. The present TV room used to be a classroom. Grade Seven worked there. The present large study hall was a recreation room. Our housemother was Mrs. Wallace and she really cared about us. Housemaster was Mr. Winsor. Mrs. Wallace also taught Health and Geography in Grade 7.

Q. How would you compare sports then and now?

Huitson: Basically the same, but we now have some additional sports such as a cross-country team coached now by Mr. Boyd. We now have fencing as a school team.

Karsay: There is a lot more variety in intramural - archery, horseshoes, cross-country and orienteering.

Q. What was dress like six years ago?

Karsay: On Sundays to all meals we had to wear, blazer, dark socks and black leather shoes.

Scrim: The weekday dress was a lot stricter. We had to wear white shirt, grey flannels, house tie, dark socks and leather shoes. Corduroy pants and white socks were never allowed.

Q. What about hair?

Wallace: In the old days the rule about hair was strictly enforced. It had not to touch the collar or ears and had to be kept away from the eyes.

Q. What were some of the changes in the school itself over the past six years?

Huitson: We ate in what is now the library or Learning Centre and it was very crowded, only about three feet between tables. The old staff reception room is now the Reading Room.

Scrim: Also the Headmaster's office and school secretary's office was in the present Language Lab.

Wallace: The dining hall was a great change when we moved to Lebaron Hall with a lot more room. Two more large classrooms were also built then in Lebaron ground floor.

Q. What was the attitude to the seniors in those days?

Karsay: There was respect for the seniors. Juniors looked up to them and treated them as elders. This has all vanished.

Q. What were the rules concerning smoking and drinking?

Scrim: Only Grades 11 and 12 were allowed to smoke. If a junior was caught smoking three times he had to leave the school. Now Grades 10, 11 and 12 are allowed and juniors get away with a small punishment.

Huitson: In the past if a boy was caught drinking he had to leave the school but now he is generally put on probation.

Q. What were the recreation facilities like?

Wallace: There was no Recreation Hall. We had to build one out of the old Gym. The first year it was opened Bugbee boys were not allowed to go in except for the tuck shop area.

Karsay: In those days the recreation centre for the seniors was in the basement of Davis. The present Biology Lab was the TV room and the present smoker was the ping-pong area.

Q. How was study conducted?

Huitson: Grades 7 and 8 had supervised study in Room 3 from 7:30 till 9. Grade 12 were not allowed to study where and when they liked as they are now. In the senior houses all doors had to be open at all times and you had to be at your desk.

Q. How did Bugbee rate against Colby and Davis?

Scrim: For one thing the students in Bugbee were not allowed in the senior houses except when they were going to see their big brother.

Wallace: Before allowances were increased Bugbee got \$1.50 and the seniors \$2.00.

Q. How were classes run?

Karsay: We had a regular 5 day cycle instead of six. This was a set schedule and it was the same every week. There was no variety.

Scrim: We had two subjects which have now been dropped, Latin and Religious Knowledge. Also we had one class on Wednesday afternoon which is now free.

Q. Have there been any new facilities or programmes set up for free time?

Scrim: The outdoor program with horseback riding, camping, etc. and concert trips to Montreal.

The New Boys' Race

In October a spectacular event took place, the New Boys' Race. The race is an annual event.

The race opened with a shout from Mr. Lester.

The race involved one lap around the track and through the mud pit and down infirmary hill. All the new boys ran across the freezing cold river and onto the other bank. They ran along the bank for about 100 yards and then again into the river, not across it, but they had to wade

right to the bridge. Then up one side of the bridge, under it and down, they went on their backsides across to the other side, up it, and down on their stomachs. They ran to the river and found out they had to swim to infirmary hill where they ran up the hill and through a few obstacles. Finally they plunged through the mud pit again.

Although an annual event, each year's race is a bit different, due to the new crop of boys.

Opposite is a map of this year's course.

 Three Little Men - Coromel, Gagne, Sharp
 Truck Driver -
 Freaks - Caplan, Johnson, Grant
 Pickpocket - Jacobsen
 Free Style Fighting - Au Yeungs, Chun, Chow, Cheung
 Dentist - Piercey, Lamothe, Sabatino
 Stanstead Senior Football (2010 A.D.) - Kohn, McCarthy, Wilson, Therrien, Cameron R.,
 Scrim, Allard

NEW BOYS' SHOW

Jim Etcheverry

The New Boys' Show which took place on November 21st was a great success, after a great deal of preparation had been put into it.

Gordon "Mantis" Dowd and David "Cod" Snook were the masters of ceremonies and were also both in the same skit, "James Brown". This skit seemed to be liked by the students but the most popular was the last item in the show. This one involved 5 new boys and two old boys - John Scrim and Mike Allard and represented a football practise at Stanstead in 2010 A.D. with Mr. Philip and Mr. Denney still coaching the unbeaten team. The Chinese boys put on a karate display that pleased most of the audience. There were five boys, and it was very interesting at the beginning of the demonstration, the five students lined up as if they were in class then began the action. They went through their exercises. After they had finished this four of the boys paired off and fought against each other. It was one of the spectacular parts of the show.

... the critics say ...

J. Tremblay

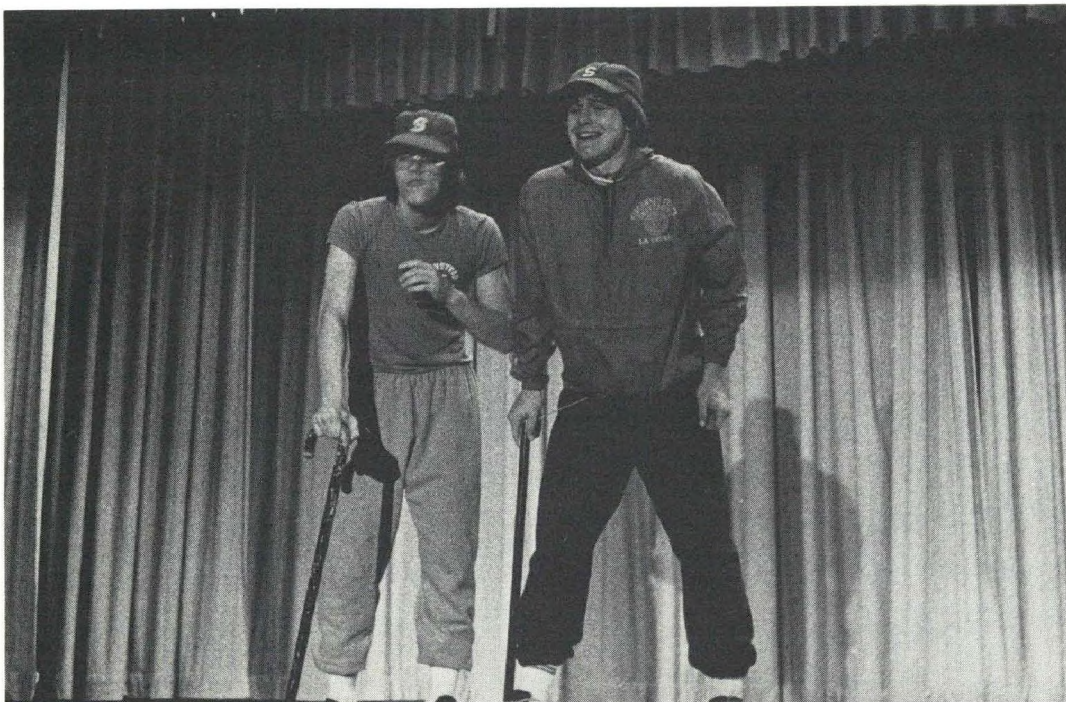

November 21 was the big day of the New Boys' Show. It was on a Sunday night at 7:30 p.m. There were many skits, and the boys put a lot of effort into perfecting them. All the skits were quite good. That show was the last of the Stanstead College initiations for new boys and we're all quite happy they're over.

The New Boys' Race that we had was difficult, but the New Boys' Show was exceedingly hard. Together, the evening was both exciting and terrifying.

Some of the better skits were

1. James Brown, 2. Maggie May, and 3. 2010 A.D. These were quite interesting. The entire evening went very well.

John Scrim and Mike Allard as Mr. D-n-ey and Mr. P--l-p in 2010 A.D.

The Ghost

Richard Sevack

It was hundreds of years after the great ruin, the land was barren, burnt, acid. The air was sulphur-yellow, and dust settled in small heaps, and then blew away in a second, pushed on by the relentless wind.

This horrible scene, one of complete devastation, was the final result, the end product of the now non-existent word "progress".

Man had received his payment, his dues for his persistent ways.

Here it was, a dawn 300 years later, not a bit of life, the land was in no ways virgin, just a putrid mess.

It floated down through the misty yellow sky, a white spectre took form slowly and floated, slowly towards earth.

This was the Ghost of Man returned to view a world no longer his to control and judge. It cried a long wailing howl of grief and pain, the pain of all men who suffered in a world they could not save.

The white spectre moved along the ground and travelled the surface of the Earth for many weeks, the pain of its trip was being felt by all dead men, except the souls that had not contributed to this disaster, the souls of men who had seen the future and had tried to stop man's lust for power over the world.

Another white mass floated down in the sulphuric mist, the ghost of men who had known.

The Ghost of Destiny and the Ghost of Destruction moved slowly forward, towards each other.

All of a sudden an electric clack sounded as the two spirits met in battle. A burnt smell sifted through the air as every man of deadly destiny met just one man of logic, a man representing the good people. The men of destruction were burnt up one by one as their souls tried to match the good souls in strength.

Then it was over, the good over evil, the better over scum.

The spectre moved up into the sky never to fight for right again but to roam and seek out the real in the destroyed body of what was once Earth.
